We have received your document for HENRY VON OESEN & ASSOCIATES, INC. and your check(s) totaling \$70.00. However, the enclosed document has not been filed and is being returned for the following correction(s):

The name listed in number one of the application must be identical to the name listed in the certificate of existence.

If you would like to transact business in Florida under a name other than the name as shown above, you must file an application for a Fictitious Name: one is being sent to you separately.

You must list the names and street addresses of the officers and directors of the corporation on the form/application.

A certificate of existence or a certificate of good standing, dated no more than 90 days prior to the delivery of the application to the Department of State, duly authenticated by the secretary of state or other official having custody of the records in the jurisdiction under the laws of which it is incorporated/organized, must be submitted to this office. A translation of the certificate under oath of the translator must be attached to a certificate which is in a language other than the English language. A photocopy of this certificate is not acceptable.

Unfortunately, the enclosed certified copy does not meet our filing requirements. We require a certificate of existence, which usually consists of a single sheet of paper and clearly reflects the entity is a valid entity in its home state/country. You can obtain the certificate of existence from the same office that provided you with the certified copy.

Please return your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.

If you have any questions concerning the filing of your document, please call (850) 245-6958.
