An application filed with the Division of Corporations indicates Bartlett Services, Inc., has transacted business in Florida since 1998. Accordingly, an amount of \$4,600.00 is due, reflecting annual report fees from 1998 of \$600.00 and administrative assessments of \$1,000.00 per year. We would, however, offer to settle the issue of annual report fees and administrative assessments from 1998

for the sum of \$2,600.00, reflecting annual report fees from 1998 of \$600.00 and administrative assessments from 1998 of \$2,000.00 assessed at the statutory minimum of \$500.00 per year. This offer remains in effect until December 31, 2002.

Upon completion of the application and receipt of a check in that amount payable to the Department of State, Division of Corporations, I will instruct the Division of Corporations to issue Bartlett Services, Inc., a Certificate of Authority to transact business in Florida. Please do not hesitate to contact me should you have any questions.

Re: W02000031187 & Letter Number 102A00059579 (Copies attached)

Dear Mr. York:

Bartlett Services, Inc. (Bartlett) employed the services of Mr. Williams C. Peoples back in mid 1998 as a salesperson for our Remote Monitoring System (RMS). Mr. Peoples spends a large amount of his time traveling both in and out of the United States selling our RMS equipment (see attached marketing brochure). While not on travel status, Mr. Peoples does conduct business calls, faxes and e-mail from his home in the State of Florida. We have always reported his wages for unemployment purposes, and remitted the related taxes, to the State of Florida.

In November 2000, Mr. Peoples sub-leased approximately 1700 sq ft warehouse storage space to store and assemble some of the equipment that Mr. Peoples markets to the Nuclear Power industry around the world. In addition, recently there has been some R&D type work performed at the location. Since the unfortunate events of September 11th, Mr. Peoples has been developing and demonstrating a product (SecurePort®) that will detect radiation sources in foreign shipping containers arriving at United States ports. Bartlett and Mr. Peoples are industry leaders in radiation monitoring systems and we feel that this product will become an important tool to protect the United States from a nuclear terrorist attack. We are very proud of developing and providing SecurePort® and we believe it will play a key roll in our homeland security.

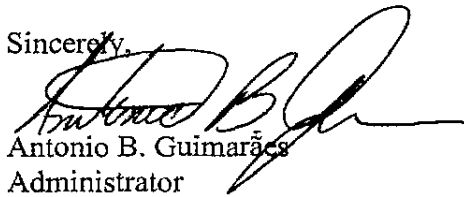

While we have complied with all State of Florida payroll and corporate taxes, unfortunately, we inadvertently missed the filing requirements for the Annual Report / Uniform Business report. We apologize for our oversight, which will not re-occur.

**BARTLETT
SERVICES INC.**

We would like to request your consideration in reducing the amount charged to cover the Annual Report/Uniform Business Report and the penalty fees of \$4,600.00 down to an amount required to cover the past and current Annual Report/Uniform Business Report filing charges. While the marketing and the recent R&D work can be performed elsewhere, we feel committed to our employee and the State of Florida, as a good corporate citizen, to continue and hopefully expand these services and products in of the State of Florida.

Please feel free to contact me at 508-591-1135 if you have any questions.

Sincerely,

Antonio B. Guimarães
