This letter is in response to the application by foreign corporation for authorization to transact business in Florida that was previously submitted to this office for S.D. ASHE LANDSCAPING & SERVICES, INC..

The referenced application states that the corporation has transacted business in the State of Florida since September 1, 1999. You were notified by letter dated May 17, 2001, that because of failure to obtain a certificate of authority prior to transacting business in the State of Florida, the corporation is liable for \$2300.00 in appropriate fees and penalties as set forth in Section 607.1502(4), Florida Statutes, (copy enclosed).

Until a response is received by this office concerning the prior notification, the application by foreign corporation for authorization to transact business in Florida will not be processed. If erroneous information was reflected on the previously submitted application, a sworn affidavit may be filed stating the correct date the corporation first transacted business in Florida, that the corporation did not transact business in Florida prior to the application filing year and that the information entered on such application is incorrect. Any such affidavit will be included with your original qualification documents.

Please provide your response to this letter within 30 days to avoid the necessity of further action.

If you have further questions concerning the filing of your document, please telephone the Foreign Qualification/Tax Lien Section at (850) 487-6051.

Dear Mike,

Thank you for taking time to speak with me on the phone last week.

As discussed, enclosed please find our Application for Authorization to Transact Business in Florida and the registration fee.

S.D. Ashe Landscaping & Services, Inc. has been doing business in Jacksonville, Florida since August 1, 1999. We are a Virginia based S-Corporation (since 1987) that performs grounds maintenance services on government installations, by contract only. Being new to the Florida area, we were unaware we had to be registered with an agent to conduct business in Florida. We received a garnishment for a Florida employee, and it was at this time, the situation came to light. We have now retained a registered agent and are filing all required legal and tax documentation.

We would greatly appreciate any help your organization could provide in abating part or all penalties associated with our failure to obtain authorization to conduct business in Florida.

Thank you for your consideration and should you have any questions, please feel free to contact me.

We will await your advice as to how we should proceed with payment of fees.

Respectfully submitted,

Stephen D. Ashe
President
