RE: The Law Offices of Victor W. Luke, A Professional Law Corporation

To Whom It May Concern:

On our original application we inadvertently indicated that we had done business in your state since 10/21/05, thus resulting in a \$3450.00 penalty.

Upon receiving notification that our application was rejected & the impending penalty I had contacted our CPA and had asked what the general definition was for having a presence in another state. I also called your office there in Florida and spoke to "Tim" on October 10 who also gave me the same definition which was "having a physical presence there by either securing office space or hiring employees or independent contractors". Since *none* of those events had occurred we *have not done* any business in Florida since our incorporation. Tim instructed us to remove the check mark & dates & resubmit the application.

Should you need any additional information please feel free to contact me.

Sincerely,

Toni Guchereau
