We have received your document for LUCENT ENGINEERING, P.C. and your check(s) totaling \$70.00. However, the enclosed document has not been filed and is being returned for the following correction(s):

Florida law does not provide for the recognition of a foreign professional corporation. An acceptable corporate suffix will need to be added to your entity name for this Department to accept and file your document.

According to the application submitted to this office, this entity transacted business in the state of Florida before properly registering with the Florida Department of State, Division of Corporations. Consequently, a \$500 civil penalty and an annual report filing fee for each year the entity failed to properly file a Florida annual report are due this office. Based on the date entered on the application, the civil penalty and annual report filing fees total \$150.00.

Please return your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.

If you have any questions concerning the filing of your document, please call (850) 245-6051.
