To Whom It May Concern:

I am enclosing the 2003 For Profit Corporation Uniform Business Report and the \$150 fee.

This is late due to an emergency I had in my family in the last month and have just returned to work.

My boss had reminded me to mail this before I left but I forgot due to the circumstances. If he finds out that I did not send this out before it was due I will be fired and I cannot be without a job. I have a 6 year old son and need this job.

If there is any way you can accept this without the late fees I would greatly appreciate it. This has really stressed me out and I really don't want to lose my job. I love it and enjoy working for my boss.

I will be more careful in the future.

THANK YOU SO MUCH for considering this.
