Affidavit First Transacted Business Clarification

In the original submittal done last week if you can see I wrote at the last second in pen that the initial date was 07/08/2013. I was confused because the company had a property that it purchased on that date but it was not in business, nor was there any income generating activity. After further consulting with an advisor and your colleagues at the Division of Corporations I was made aware that the date I should have put there is the day of registration with Florida if no business activity had been done and no income generated. My apologies for the confusion.
