These Amended and Restated Articles of Incorporation of IBIS WALK Maintenance Association, Inc., a Florida not for profit corporation, dated as of July 12, 2016, are being duly executed and filed by George N. Wood, its President, to amend and restate the Association's original articles of incorporation, which were filed on December 19, 2012 (thereby rendering the original articles of incorporation null and void and of no further effect). These Amended and Restated Articles of Incorporation were duly executed and are being filed in accordance with Section 617.1007 of the Florida Not For Profit Corporation Act.

ARTICLE I: NAME AND LOCATION

The name of this corporation is IBIS WALK Maintenance Association, Inc. (hereinafter referred to as the "Association"), and its office for the transaction of its affairs is 780 94th Avenue, North, Suite 107, St. Petersburg, FL 33702.

ARTICLE II: PURPOSES

This Association does not contemplate pecuniary gain or profit to the Members thereof, and no distribution of income to its Members, directors or officers shall be made, except that nothing herein shall prevent the Association from compensating persons who may be Members, directors or officers in exchange for services actually rendered to, or costs actually incurred for the benefit of, the Association in furtherance of one or more of its purposes. The general purpose of this Association is to promote the common interests of the property owners in IBIS WALK (hereinafter referred to as the "Community"), and the specific purpose is to perform the functions of the Association contemplated in the Declaration for the Community recorded in the public records of Pinellas County, Florida (hereinafter referred to as the "Declaration"), as the same may in the future be amended, which purposes shall include but not be limited to:

ARTICLE III: MEMBERSHIP AND VOTING RIGHTS

A. Eligibility. Every person, whether an individual, corporation or other entity, who is the record owner of a Parcel that is subject to Assessment pursuant to the Declaration shall become a Member of the Association upon the recording of the instrument of conveyance. If title to a Parcel is held by more than one person, each such person shall be a Member. An Owner of more than one Parcel is entitled to membership for each Parcel owned. No person other than an Owner may be a Member of the Association, and a membership in the Association may not be transferred except by the transfer of title to a Parcel; provided, however, the foregoing does not prohibit the assignment of membership and voting rights by an Owner who is a contract seller to such Owner's vendee in possession.

If more than one person owns a fee interest in any Parcel, all such persons are Members, but there may be only one vote cast with respect to such Parcel. Such vote may be exercised as the co-owners determine among themselves, but no split vote is permitted. Prior to any meeting at which a vote is to be taken, each co-owner must file a certificate with the secretary of the Association naming the voting co-owner entitled to vote at such meeting, unless such co-owners have filed a general voting certificate with the Secretary applicable to all votes until rescinded. Notwithstanding the foregoing, no separate certificate shall be necessary if title to any Parcel is held in a tenancy by the entireties, and in such event either tenant is entitled to cast the vote for such Parcel unless and until the Association is notified otherwise in writing by such co-tenants by the entireties.

B. Voting Rights. Voting in the Association will be in accordance with the terms and provisions of the Declaration and its exhibits.

C. Transferability. Each membership is appurtenant to the Parcel upon which it is based and is transferred automatically by conveyance of title to that Parcel whether or not mention thereof is made in such conveyance of title.

ARTICLE IV: TERM OF EXISTENCE

The Association shall have perpetual existence. In the event the Association is dissolved, the Association shall ensure that the maintenance of the Surface Water Management System Facilities, is delegated, transferred or assigned to an appropriate governmental unit or public utility and, if not accepted, then the Surface Water Management System Facilities shall be conveyed to a similar not-for-profit corporation.
