Dear Tina

I spoke with you on Tuesday February 3, 2004 about E & A Enterprises of Orlando, Inc. being reinstated. I followed your instructions to go to the library and download a reinstatement application and fill it out and mail to your attention.

I also included a check (#3120) for 300.00 dollars to pay for the remaining balance for last year 2003 and to pay for the present year 2004.

Along with the check and application I included a letter that I sent to your co-worker back in August. It explains times and dates that I spoke with your office. The letter I included and your notes in the computer should help clear up this matter. I think the only real mix up we have is the wrong address is still listed in your computer. Please make sure the address gets changed to 1518 Ison Lane Ocoee, FL 34761.

I would like to thank you for your help in correcting this problem.

Sincerely, Amy Ward

I spoke with you on May 1, 2003, and you sent me a reinstatement application. In our conversation we spoke about how I never received my renewal application in the mail for the year of 2002 due to a mix up in addresses. You showed in the computer that it was returned to the state (return to sender).

I returned the application of reinstatement and a check in the amount of \$158.75 which cleared my bank on July 16, 2003, so I went online to check the account status of my corporation and it was still inactive and still had the old address posted.

I called again on July 28, 2003 and asked the reason for the inactive status and was told to send a letter explaining and was asked if I had received a letter in response to my application and the balance of my late fees.

I responded, No I have not received a letter at this address and the gentleman responded with 238 Prescott Drive, Orlando and that is my old address. Please help me get the right address in the computer, 1518 Ison Lane Ocoee, FL 34761

Sincerely,

Amy Ward
