I received this letter today along with the check I sent in to file the profit annual report. I called in to find out why it was not accepted and was told that I was supposed to receive a notice to file a profit annual report which was to be sent in my 1st May. I did not receive that notice in the mail, the only notice I received was the post card Notice to Dissolve the Corporation, I thought that this was the notice for me to send in the check and the report, so I did.

The lady I talked to in your department said you would Waive the \$400.00 late fee if I wrote a letter and explained that I had not received the notice to file annual report. She also said I could access this off the web sight next year so it would not happen again. I plan to do that next year 2006 so as to avoid. She told me to write a letter explaining that I had not received this notice and send in my check and report, which is what I am now doing.

Thank you for allowing my to clear up this and for the help I received when I called in to your Department of Corporation. She explained everything to me so I now understand that it comes due in January and must be paid by May 1.

Please then accept this check, my reason for filing late and explaining how to avoid this in the future, please waive the \$400.00 late fee because I did not receive the Notice to File. It will not happen again.
