To Whom It May Concern:

My original request to change the name of my corporation from Quality Business Solutions, Inc. to Factory Insight, Inc. was denied due to the existence of another Florida corporation with the same name.

Upon investigation, I found that the company was incorporated by a law firm and was not actively being used. I contacted the law firm and they agreed to dissolve the existing company and allow me to use the name. On June 27, 2002, the existing Florida corporation under the name of Factory Insight (P01000067501) was dissolved. Enclosed you will find an affidavit from the original incorporator allowing immediate use of the name by another corporation. Please let me know if I need to provide any additional information.

I sent a check for \$52.50 with my original request. Upon successful filing of this document, please return a certified copy of the amendment and a certificate of status to the following address:
