RE: FLORIDA ANNUAL REPORTS  
Due May 1, 2000

Dear Sirs:

Enclosed is the following entity's 2000 Florida Annual Report:

	Entity	Document #	Amount Due	Check #
1	Magnum Aviation Services Corp	P95000004539	150.00	3195

Please note that we (at 197 First Avenue) have already file 32 annual reports with the Department of State on April 28, 2000, furthermore, on August 2, 2000 we filed an additional seven annual reports. The above entity was part of the filing on August 2, 2000. As we stated in our letter on August 2, we did not receive the above entity's Florida Annual Report until July and our understanding is that reproductions of the forms are not allowed, we assumed the 32 we received was all that was required to file.

Upon receiving the seven reports in July we contacted your office and was told to submit only the \$150 annual report fee, and attach a letter requesting that the late filing penalty be abated. Accordingly, we requested that the penalties be abated and you accept the filings as timely. As of this date, the above listed entity is the only one that has been returned. Therefore, we are retuning this report to you and respectfully request that any penalties be abated and you accept the filings as timely.

If you have any question or if I can be of further assistance please feel free to contact me at 781 453-1592

Very truly yours
