To Whom it May Concern:

Enclosed with this letter is our check for \$150.00 for the renewal of the corporate annual report and our annual report. The report is on the second notice form because I had previously mailed our original report along with Check #1415 on 04-17-00. I noticed that our check did not clear the bank, and I called to find out if you had received our report the person I spoke with said not to worry that it takes several weeks for the checks to clear the bank. On my next bank statement I noticed that our check had still not cleared the bank, again I called and the person I spoke with said not to worry. I received my next bank statement and again the check had not cleared the bank, and a few days later I received a second notice from the division of corporations. I called again and spoke to Stacy who suggested I wait for a couple more weeks to see if my original check would clear the bank and if it did not to write this letter and re-issue a check. Last year our corporate annual return was over looked and forgotten, this year I wanted to make sure that it was taken care of early so I mailed it the same day I mailed our Income tax return. I was concerned when I saw our check had not cleared and I was diligent about calling and checking our bank statement because it was forgotten last year and I did not want to have any problems this year. So again this year I am asking for your leniency on the matter and asking you to accept our \$150.00 filing fee. In advance I would like to thank you for your time and consideration.

If you are in need of further information, please contact Sarah Dixon at either (941-473-4065) or (941-474-0608). Thank you very much for your time, assistance and consideration.

Sincerely,
