To Whom It May Concern:

I was recently at a business networking lunch where the guest speaker was a CPA. He was discussing due dates for various forms and mentioned the Uniform Business Report. He told me that this form would have been sent to our company in the mail, but we never received it. I immediately called the Division and requested a form and am remitting it at this time.

I am hoping that there is some way to waive the additional fees for a late filing, for this would cause us great hardship. My husband and I started this company and are struggling to keep our heads above water. I can assure you that this would have been filed on time if it had been at all possible and can give my word that this will not happen again.

Thank you for considering my request to waive this late fee.

Sincerely,

Aliisa Langenderfer
