Attn: Katherine Harris
Secretary of State

Dear Ms Harris:

I am in receipt of the annual form for corporations just received from your office based upon my telephone request.

Unfortunately, I never received the form in January 2000 and therefore called your office to inquire about that. I was told that there had been some problem in mailing in 2000 and steps would be taken to send me another form. After my repeated calls, numerous times unable to talk to anyone further, I finally spoke to a very nice young lady who agreed to send another form to me, adding that I should include a letter when I sent payment for 2000, explaining my problem. Hence, this letter.

I did notice something that may have caused the problem, the difference in addresses for the business between 1999 and 2000. There was a change in our address to comply with the 911 system here in Vernon, and we also acquired 2 new postal employees just after the first of the year. We have not received several important pieces of mail that were using the older address since the postal employees "go by the book" and will not deliver except to the 911 addresses on file.

Therefore, please take steps to check our address on file with your office as it should read 3312 Main Street, Vernon, FL 32462. I would sincerely appreciate your help in this to assure there is no problem in the future.

Sincerely,

David T Kimball
President
